E. If any Request is deemed objectionable on the grounds of privilege, work product or any other privilege or immunity from disclosure, answer the Request with such non-privileged information as may be available, and identify the nature of the privilege (including work product) which is being claimed and, if the privilege is governed by state law, indicate the state's privilege rule being invoked. Additionally, You shall set forth the following information: (i) the type of document (*e.g.*, letter or memorandum); (ii) the general subject matter of the document; (iii) the date of the document; (iv) the author(s) or sender(s) of the document; (v) the addressee(s) or recipient(s) of the document; (vi) where not apparent, the relationship of the author, addressees, and recipients to each other; and (vii) the factual and legal basis for the privilege assertion.
